

**GLOBAL**  
HOTELS FOR SALE

**HOTELS - RESORTS - B&B - HOTEL SUITES - PROJECTS**

For Sale, Lease or Investment. Branded Management Contracts

A leading worldwide portal where Owners meet Buyers.

We offer a specialized team of professionals, maintaining discretion & Confidentiality at all times, and a philosophy to satisfy the needs of our clients.

Working directly with property owners, developers, funds, banks and other real estate institutions in sourcing "off market" deals for our clients.

On our website you will not only find hotels or resorts for sale or looking for investment, but also Buyers – Investors – Hotel brands – Project managers looking to invest or buy. If we do not have it, we search it for you !

### **HOTEL & RESORT BROKERAGE**

Specialized in large or mid sized Hotels, Resorts, B&B located worldwide, that are for sale or lease, from Budget to Boutique and from New Concepts to International Chains. We are in direct contact with Owners/Sellers and all properties are pre-screened, so that we offer you the best on the market. We assist owners & buyers in the whole process.

## HOTEL INVESTMENTS

The investment sector is booming and gives great return. This can be for a Hotel, Development or even a share participation in known hotels, or invest/buy just 1 hotel suite or villa. We work closely with well-known hotel brands and operators worldwide. We source quality assets and ensure that investors will benefit from long lease periods. You tell us your interest and how much you like to invest and we will provide you with a variety of properties worldwide.

## HOTEL & RESORT PROJECTS

New Hotel or Resort projects are offered to us from the designing/construction phase till opening. It is very rewarding to be involved with a hotel project under construction and become a part owner. We also like to hear from Project owners as we have always investors or operators looking to participate.

### **BRAND MANAGEMENT**

We strategically match Owners & Investors with the relevant Hotel companies (and vice versa) that share the same vision for contract negotiations and acquisitions for the best return of investment. We identify potential hotels to be rebranded at project stage or identify existing hotels for branding or re-branding. Our team works with the most well-known hotel brands.

### **CONSULTANCY & MANAGEMENT SERVICES**

If your hotel is only looking for a Management team or Opening consultants, HES Global might be your partner as we have been in the hotel industry for over 20 years and have strong connections as well JV with 5\* Hospitality leaders & partners. We provide temporary managers or team, and could be acting as a short-term operator on opening or repositioning your property.
